Jehovah-Rapha: The Lord Who Heals !

Bro. John D'Souza

I praise and thank God for the healing, of my grandson and me. Two weeks back, my grandson had fever, with high temperature: 103 degrees, for 2-3 days; my wife and I knelt down and prayed to our Lord Jesus Christ, to heal him. The next day, we called our daughter to enquire about him; the temperature had dropped and the following day, he was fine and playing. Three weeks ago, I had to do my quarterly medical check-up and the pathology report showed a blood mark in the stools. The Gastroenterologist suggested a Colonoscopy, to be done. I requested Ps. Joe and Ps Thivi to pray for me, after the Friday service; my wife & I also prayed for a clear report. On 4th July, the test was done and the report was clear. I sincerely thank Ps Joe, Ps Thivi and to the APF family, for praying for me.
All praise, glory, honour and gratefulness to our Lord and Saviour Jesus Christ!

I praise and thank God for all his blessings in my Life. I experienced the Lord's presence in every small thing I do. I had applied for my driving license after 6 months from the day of my employment, as suggested by Bro. Deva. I have been driving in India, since 10 years. I started attending classes here and finally went for the driving test, I failed in my attempt; soon I attempted a second test, but I failed again. I was deeply disappointed and my trainer was shocked, as he believed I could drive well. I shared this with Bro. Deva and he advised me to come to Church and to be prayed upon by Pastor Prabhu. I followed his advice, attended church on a Friday. After Pastor prayed for me, I felt great confidence in my heart that God will surely bless me with license, in my next attempt. Soon, I booked a slot, for the next test attempt. I remembered Pastor Prabhu's prayer, before beginning the driving test. Praise God! I passed the test that day and was blessed with the license; by God's abundant grace I have been able to buy my favorite sports car. I sincerely thank Pastor Prabhu and each member of CCS for all their prayers.
Our God is an Awesome God! All glory and honor to our LORD Jesus Christ alone!

He has made everything beautiful in its time. Also He has put eternity in their hearts, except that no one can find out the work that God does from beginning to end.

My lines are fallen into pleasant places!

Bro. Sandip and Sis. Priya

We praise our awesome God, and testify that He is a prayer answering God and faithful provider. We had requested our Agape Prayer Fellowship to pray, that when we renew the lease of our building, the owner should not increase the rent. For last three years our rent was increased every year.

End of July 2016, I went to the building lease office, but this time there was another person who helped us to renew our Tenancy contract with the existing rent. We heard later that the earlier person was causing issues to all the tenants and demanding commission, so he was removed from the building office.

We thank Our God who led us to be part of Community Church, Sharjah since February 2016 and since then we have seen blessings flowing through powerful messages preached by Pastor Prabhu and Pastor Rekha and their prayers for us have flourished our spiritual life. I have been working in UAE for almost ten years and all these years I was never granted any increment or bonus other than the agreed salary, I would like to testify that this year my management changed and I was given bonus and increment. We thank all our Agape Prayer Fellowship members and our leaders and pastors.

Praise God for his mercy and grace in our life.

My faithful provider!

It was time for the new visa for my domestic help, Padma, and also for my son Jordan's passport to be renewed. The processes had to be finished before Eid holidays because we were planning to travel to India after that. Agape Prayer Fellowship prayed for the above to be completed before Thursday of that week.

Praise God, my company paid my salary and leave salary payment on time. The process was completed easily with the help of my company's PRO. The Emirates ID processing was also smoother and faster.

Immigration in Jaffiliya told me to pay for the visa and deposit again and that they will refund the earlier deposit amount later. This was difficult as we had only the correct amount in hand. Half an hour later they told me that if I go to the Manara centre I don't have to pay the deposit again.

Though it was crowded in Manara Centre, by God's grace and favour, we were able to finish the typing and the visa stamping. It all happened on a Thursday as per my prayer request. Praise God. Jordan's passport renewal also happened with God's special favour. We had passed the time limit to handover the documents due to an issue with the passport photograph. The call centre had said that the passport would be ready by Sunday next week but on the same Thursday we received the renewed passport.

We give all the glory to God for answering our prayers. Thanks to the Agape Fellowship for always praying for us
Praise Jesus.
