And the Lord shall make thee the head, and not the tail; and thou shalt be above only, and thou shalt not be beneath; if that thee hearken unto the commandments of the Lord thy God, which I command thee this day, to observe and to do them. Deut. 28:13

Believe in His Wisdom!

Sis Anusha Kirupananthan

I would like to thank God for His wisdom and favour upon my life. I had appeared for a set of 3 actuarial exams in April, even though many people had advised me not to do 3 exams in one sitting, while I am also working full time. However, I decided to surrender everything into God's hands; but I was not very confident about my performance. My mother also advised me not to worry and to put all my trust only in Jesus Christ, for He will take care of it. Two months later, my results were announced. It's only by God's grace that I have

passed in all the exams. **All glory to God alone!**

I also want to thank God for the increment He blessed me with, along with my exams' success. I was not too sure if I would get this increment, because I had just received a promotion and a salary increase, two months ago; but God is ever faithful and He ensures that we reap the rewards for our hard work. **He is worthy of all praise now and forever!**

Great is His Love for Me!

Sis. Praveena Daniel

My Lord Jesus is leading my life from one level of success to another. I started my career as a Contact Center agent, in 2006. The management had changed, many teams had been either disbanded or transferred offshore; yet, God sustained my job and has kept me, at the best positions, in my organisation. In Nov 2015, when the team I was leading was disbanded and 75% of the team members were made redundant, my God sustained my job and I was promoted to be the Quality Services Manager, of the Contact Centre. I have successfully completed 10 years, by the grace and mercy of our Lord and Saviour Jesus Christ; during these 10 years, God has taught me how to trust Him alone and lead a life of faith. I am blessed with wonderful colleagues in my organization and my work place has become a place of worship. I thoroughly enjoy God's presence and share the love of Christ with people, who are in need. This year is indeed a year of Segullah for our family, to possess the promises of God and we have witnessed many mighty miracles, in the name of our Lord and Saviour Jesus Christ. It feels awesome to live a life lead by the sweet sovereign Spirit of God and to witness the immeasurable effects of peace, love, joy and happiness as a family. I praise God for the members of this beautiful Church & our Pastors, who have taught me to believe that every promise of God will come to pass, for the one who believes. **All glory and honour belong to our Lord Jesus Christ, for He is our Redeemer!**

God is my Protector!

Bro Subash Pukota

I want to thank and praise our LORD for His protection upon my life. In the month of May, my Manager called me and told me that the company will deduct an amount of AED 30,000/-, which one of my customers owed to the Company. This was because I had released the BILL OF LADING, without taking any cheques. In fact, the customer had issued the cheques, but they were issued on another name. I had advised the customer to change the name and to resend the cheques. I had also copied my Manager, in all the email correspondences, including the email that had the release of the BILL OF LADING. Unfortunately, the Manager is not ready to listen to me that we will get the payment from the customer. I have been in constant touch with the customer since May and have reminded him many times. The customer has promised to pay, but he's waiting for petty cash. My colleague and I have been calling the customer, every alternate day. I praise God, for He has worked in him. The customer called me on July 13th and made the payment in cash.

I confidently declare that the Lord is my shield, the strength of my salvation and my stronghold, in whom I find protection.
All glory and praise to our LORD and Saviour Jesus Christ!

The LORD is my Shepherd!

Sis Theophila Damien

We had planned a tour on May 20th with an agency, but toward the end just five days before the tour, they had some problem with the visa for a few people and had to postpone the tour to June 2016. As the new date was not convenient for us, they transferred us to another agency, claimed to be a better one. My husband had a problem with the Europe visa. According to our tour plan, we had to travel from London to France on 22nd May 2016 but his visa was from the 23rd. We prayed and went ahead with the group on 22nd. They did not check his visa, but checked only the first page of passport and allowed him to proceed. After a week of our travel, I had a nose-bleeding problem, which continued for two days. There were four doctors with us, in our tour group and they advised different treatments, but nothing worked. We had to go to the emergency. We prayed and we also sent messages to all our dear pastors. Pastor Prabhu advised us to do the salt covenant. The prayer worked and the bleeding stopped the very next day. Many of the elderly people, who were with us, advised me not to travel, but to remain at the hotel and rest. Yet, in this entire situation, I had the peace of God and nothing hindered any of our plans or our travel plans. I thank all the pastors and the church members for their prayers and support. **All glory, honour and praise to our Lord Jesus Christ!**

God's Favour is upon my Life!

Asst. Ps Santosh J Menon

I thank and praise God again for His abundant provision in my life through the reimbursement I received for the tickets I had booked, to attend the CCM intensive training programme. God miraculously provided a low priced ticket worth Dhs. 830 for my trip. Every year I get 2 tickets. Since I booked my own tickets, I submitted a copy of the ticket to the Accounts Dept. to reimburse the ticket cost, along with the other benefits. The costing was prepared and taken to the branch Manager for his approval. The branch manager called me and enquired about my family, which is in India presently, as my eldest son is pursuing his higher studies there. He advised me to prepare the ticket pricing for my entire family (4 members) and to bring it back, for his perusal. After the accountant had made the necessary changes as directed, the manager signed his approval, without any hesitation. He wholeheartedly appreciated my diligence, at work. God knew how much I was spending for the tickets and other expenses, but He blessed me and covered all my expenses, with plenty more to spare.

I am overwhelmed by God's favour upon my life. I want to encourage each of you to never lose an opportunity to be useful for the kingdom of God: serve Him with all your heart, persevere constantly in prayer & thanksgiving, wait patiently for His perfect timing, and be obedient in all things.

As in Matthew 6:33 "But seek ye first the Kingdom of God and His righteousness and all these things shall be added unto you." I continue to thank and praise God for His unfailing love and His abundant provisions.

I give all glory, honour and adoration to Jesus Christ, my Lord and Saviour!
