2016 - SEGULLAH - POSSESS  
The PROMISES of GOD

JULY 14

UAE Edition - Vol: 92

Thou visitest the earth, and waterest it: thou greatly enriches it with the river of God, which is full of water: thou preparest them corn, when thou hast so provided for it. Thou waterest the ridges thereof abundantly: thou settlest the furrows thereof: thou makest it soft with showers: thou blessest the springing thereof.

Psalms 65:9-10

### God provides & fulfills the desires of our Heart!

### Sis. Raquel Embudo

I would like to praise God for another answered prayer. It's been my wish to have a fruit farm, this was written in my dream book. During our last year's vacation, we had a glimpse of these huge farms, full of fruits, in our city; my husband Lito and I prayed, while we were standing in the vicinity. In Feb. this year, I revisited this desire and started praying earnestly for financial provision, continuing in giving my tithes and offerings, without fail. We started saving regularly and requested our APF members and our Pastors, to help us with their prayers. Later, in May, I contacted my aunt, who lives close to the farms; to my utter delight, she informed me that a portion of the land, which is full of fruits is ready for harvest is on an urgent sale, for an affordable amount. I prayed with a thankful heart, when I heard this. Soon, I booked my ticket; but a week later, I got to know that I also needed to buy the 'right of way' (right to cross property). We prayed and sought provision, for that as well and God blessed me with the required extra finance. I praise & thank God for, on the day of my flight, I received good news that I won't have to buy the right of way, since the neighbouring farm owner was offering it for free. I'm very happy because I have enough money to spare for the fertiliser, the lawyer's fee and other costs. I thank God for His divine protection, as I had carried a large amount of money and have transacted in cash, for the first time. This is considered very risky, in the Philippines; I praise God, as everything went well and we could close the deal successfully, in two days. This year indeed is the Year of Segullah, a crowning year for all. I sincerely would like to encourage everyone, to keep saving and to give your tithes and offerings cheerfully. You surely will be blessed with more than enough that you need. Let us delight always in the Lord, for He grants us our hearts' desires.

**Yes! Lord Jesus is our Jehovah Jireh, our provider. All glory to Jesus! Amen!**

So then it is not of him that willeth, nor of him that runneth, but of God that sheweth mercy.  
Romans 9:16

COMMUNITY CHURCH, Abu Dhabi

**God is Good all the Time!**

**Bro. Sanjeev Dan**

I thank and praise God Almighty, for taking care of my family and me during our difficult times. I have not had a job, for the past 8 months. Yet, God is so good! It is only through His grace that I have started working for a FMCG Company and am presently waiting for the letter of confirmation and the visa to be issued. I sincerely believe that the perfect hand of God will complete the whole process, without any issues.

I wholeheartedly thank the Church members and all the Pastors, who have been praying for me and have supported me, in such a difficult time and situation.

Once again I thank God for His gracious mercy and the CCA family for all its love and support.

**All praise, glory and honour to our Lord Jesus Christ, for He is truly my Jehovah Jireh, the provider in every situation!**

COMMUNITY CHURCH, SHARJAH

**Our Jehovah Jireh and Jehovah Rapha!**

**Sis. Vanitha**

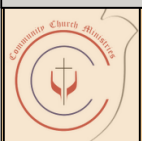

We would like to glorify, honour & give thanks to our Faithful Saviour Jesus Christ who has blessed us to live a life of testimony. The year of Yashah was surely a year of Deliverance, in our life. God opened doors with favours, overflowing from every side; beginning with my blessed job, breakthrough in Rajesh's job and the overwhelming joy of having become parents. Rajesh had secured a job of his desire, in his field of experience, at the right time in a good company. Initially, he was hired on a temporary basis, but now, he has been made permanent and is on the company visa. We had started our life in a studio flat; we were looking for a one-bedroom home, but our financial situation did not allow us to have one. Our Loving Father knows every desire of our heart and He will let it come to pass in His perfect time! Praise God! Now, we are blessed with a 2-bedroom home, for the price of a 1-bedroom flat; also recently, Rajesh has also secured a UAE driving license. We received the precious Gift of God, our baby boy, on 28<sup>th</sup> Nov. 2015. God's grace & mercy are unfailing! During my pregnancy, my foot had slipped twice, but God's hand of protection was upon me; there were no complications, until the delivery. I was able to work diligently and was the top sales performer, in my team. However, during the delivery time, the doctor thought I had to have a C-section, as the water bag had burst; the doctor waited a whole day, for me to go into labour. Early next morning, I went into labour and by God's grace, it was a normal delivery.

God is our Jehovah Rapha! My father was very sick; he was on regular dialysis, he suffered insomnia, he was unable to eat and had lost much weight, his sugar & BP levels fluctuated between low and high along with suffocation and breathlessness. Yet, we never lost hope; our faith only grew and we held on to our Lord and Saviour Jesus Christ. He hears our cries and sees our tears. The Lord changed every situation and my dad's health condition changed miraculously. My dad is doing well now, for he is healed by the Stripes of our Saviour Jesus Christ; he has accepted the Lord as his personal Saviour. My mother had already accepted the Lord as her personal Saviour and had been water baptized, when she was with us, on her first visit to the UAE. Salvation has come to my family! Amen!

Truly, this year is the 'Year of Segullah', for us to possess the Promises of God. He has brought us out from the pit and is the lifter of our head. We can never stop praising and thanking Him, for all that He has blessed us with. We would like to thank our dear Pastors: Ps Prabhu & Ps Rekha for all their prayers, blessings and encouraging us with God's Word. We also thank every member of our church, who prayed for us. Truly, we are blessed, to be part of the CCS family.

**God is our glory; He desires for us to be in the right place, in the right church. We give all glory, honour & praise to our Almighty God, ever-faithful Lord and Saviour Jesus Christ!**
