I have set the LORD always before me: because he is at my right hand, I shall not be moved. Therefore my heart is glad, and my glory rejoiceth: my flesh also shall rest in hope. Psalms 16:8-9

My Jehovah Rapha! Healed by the stripes of Jesus!

Sis. Roma Mendis

Last Friday, I had gone to church with a neck pain as well as pain in my left thigh joint, for the last few days. I had applied balm on Thursday night, for both the pains, before going to bed. In church, God's healing touch was upon me, when Ps Prem prayed for me and I was healed. Ps Prabhu shared the word of knowledge that someone with a joint pain was being healed. I was healed. Pastor had also advised us to pray for the healing of our near and dear family members, who were not present, alongside us, in church. I prayed for the healing of my brother, who is diabetic and has been taking many medicines; yet, he has been unwell and is also unable to eat any food. I cried out to the Lord, to heal my brother, so that, he could eat food. We had always been worried about the number of medicines he has been taking. Later, I called my brother, to know how he was doing. To my utmost joy and amazement, he told me that he had his lunch that day, after a long time. My brother is a believer. I shared with him the good news of our prayers in the church, for our loved ones back home. He surely was amazed and surprised at how he could eat, because of our prayers.

I thank you, my Lord and Saviour Jesus Christ for all the blessings and healings!

God's unfailing Love and Abundant Provision!

Asst. Ps Santosh J Menon

I continue to thank and praise God for the leave approved, to attend the CCM intensive training program, in Hyderabad. I had booked my ticket even before my leave was sanctioned. I had yet to submit my leave application, for approval, to my branch manager; besides, he also was going on leave at the same time. In addition to this, we both were working on an important project together, which is confidential. At least, either of us had to be locally available, to respond to any urgent queries concerning the project. Therefore, it was a dubious situation. Yet, I did not lose hope; I prepared my leave application, surrendered it into God's hands and thanked Him, for His divine intervention for its approval. I prayed (according to Mk 11:24) and did not think about it for a minute more. God's intervention was clearly evident in the Manager's immediate approval and his positive response that we will be able to manage everything, inspite of going on leave, at the same time. Surely, his heart was in God's hands (Pro. 21:1). I simply trust Him and His Word; it is my every morning thanksgiving offering, to God.

All glory, honour and praise to our Almighty God through His son, our LORD and Saviour Jesus Christ!

God is our Sovereign Saviour!

Sis. Aanie Sowseelya

I want to thank & glorify my God, for HIS goodness & mercy on my life. Since one and half years, I have been searching for a job, to support my husband. I had applied for several jobs, but did not get any response from any of them. We had almost lost hope. My husband emailed Pastor Prabhu about our situation. Immediately Pastor Rekha called us on 14th June and asked us to fast & pray; she also fasted and prayed along with us. She encouraged & strengthened us, through the Word of God. As we began spending quality time with God, we began receiving replies & calls, from companies. Our God is a faithful Father. He never leaves us nor forsakes us. But we need to wait on HIM patiently. God knows when to bless us. He makes all things beautiful in His time. On the 28th June 2016, I received a call, from a reputed Oil Trading Company, asking me to attend the interview, in Abu Dhabi, on 30th June. We went to Abu Dhabi, accompanied by a sister, from CCS, to strengthen us in prayer. Praise God! I received a call from the company, on our way back home to Sharjah, saying that I have been selected for the job. Indeed our God is so gracious & faithful. I am very thankful to every one, who prayed for me. I specially thank Pastor Rekha and Pastor Prabhu. It is a great blessing to have such wonderful pastors, in our lives.

All glory to our Sovereign God and our Saviour LORD Jesus Christ!

Our God is a Faithful God!

Sis. Padma Denrich

In the present times, with all that is happening around us and in the world, we can see how people around us are much stressed and worried about their jobs. In fact, the bank I work in has made and is continuing to make redundant many employees. There is a global freeze on new recruitments or promotions. Everyday, I faithfully declare the promises in the Bible, upon my life; I truly believe that I am like the tree planted by the rivers of water that brings forth her fruit in her season; my leaf also shall not wither and all that I do shall prosper. I confess the Bible truth that I am in this world, but not of this world. All my blessings are from my Father in Heaven. Time and again, I have experienced, the promises in the Bible coming true in my life. God makes impossible things possible. In spite of the difficult situations around the world, the restrictions imposed on promotions by the bank management and above all these, being only a commerce graduate from India, I have been blessed with a promotion, as a Team Manager; many highly qualified advisors, from different nationalities, have to report to me. This is only because of GOD, my Father. My qualification is that I am born of Christ, I am a born again Christian. I want to thank Pastor, for guiding me to become what I am today, through sharing God's Word. I have been applying it in my life, since 13 years, without using my own logic. Our God is greater, Our God is stronger; God is higher than any other.

All glory and honor to Him and Him alone!

Jehovah Jireh, my Provider!

Sis. Pushpa Vikram

I came to Dubai on 12th May 2016. My brother, Simeon, lead me to Community Church, Dubai. I attended my first CCD service on 19th of May. It's a miracle for me to be in Dubai. From the time, my family and I planned to move to Dubai and until now, I have seen and experienced God's miraculous power working in our lives. God helped me through many people. It's very tough to get a job, in Dubai, in the present market situation. Yet, I never lost hope, fully believing that nothing is impossible with God. I was told that it I had chosen a wrong time, to look, for a job in Dubai. I had attended an interview, in a company and was shortlisted, for the final round of interview. They took nearly a month to schedule the final round of the interview. In between, I had attended CCD's monthly fasting & prayer meeting (Call to Prayer in June). All the members present that day prayed for my job interview and encouraged me. I attended the final interview, on July 12th and was selected for the job. I praise and thank God for this blessing. I have already begun working now. I sincerely thank Pastor Rekha and the church members, who prayed for my employment. I am eagerly looking forward, for my husband and son, to join me here, in August and to worship God along with them, in CCD.

All praise and glory to our Lord Jesus Christ!
