The PROMISES of GOD

JUNE 16

UAE Edition - Vol: 88

Whoso loveth instruction, loveth knowledge: but he that hateth reproof is brutish. A good man obtaineth favour of the Lord: but a man of wicked devices will He condemn. A man shall not be established by wickedness: but the root of the righteous shall not be moved.

Proverbs 12:1-3

### Jehovah Jireh- God is my Provider!

Sis. Kezia DCosta

At my work place there were rumors that our office would move to Abu Dhabi and many would lose their jobs. But after keeping it in prayers, the management had renewed the contract for another year. Just as we were enjoying the good news of the contract renewal, rumours spread that our VP wanted to closedown the office in 3-4 months, without fail. I also panicked about the situation along with my colleagues, in the office. I would dread going to work everyday, due to the unpleasant environment & negative energy, which had begun to upset me, even at home. I informed Pastor to pray for us, as I had seen this segment growing for the past 14 years; but now as it is about to closedown, it was heart breaking. Like the others, I also was afraid of losing my job, even though I knew that I was an asset to the company. I always informed Pastor of all that was going on at my work place and he always advised me not to have any worry and encouraged me. Yet, I always wondered why Ps Prabhu asks us not to worry, when there are many rumours that say the market situation is bad. One day, I got a call from my HR Manager saying that I should meet the VP of the Schlumberger Production Management on the following day, for an interview. I was shocked, afraid & nervous with whatever was happening, so fast. Like we always do, I tried contacting Ps Prabhu, but could not contact him. In the evening, I got a call from Ps Rekha saying that Ps Prabhu was out of country and had told her to get in touch with me; after hearing my distress, she boosted my morale and prayed for me. With the confidence she built in me, I met the VP. He was shocked at the way I answered his questions; he immediately welcomed me to join his team and told me that I would be reporting directly to him and that I would have to begin with work immediately. Our God is a great God; He lifts you up in whatever situation you are. I give all glory to our Lord for opening this door of opportunity, for me. He created this position for me during this time of the year, when recruitments are blocked and the oilfield market situation is bad. I thank Ps Prabhu & Ps Rekha for their continuous prayers, blessings and the wonderful messages they share with us. My family has been blessed abundantly, after joining CCS. GOD bless everyone!

**All praise, glory and honour to our Lord and Saviour Jesus Christ!**

On May 20th, Friday, I had testified in Church that God had provided my mother-in-law's Visa, in a miraculous manner, even in the absence of "Tawtheeq" (Municipality Rental Contract Confirmation). I gave this testimony with complete Faith, as I had handed over only the visa application at the empost counter (Immigration section), but had not yet got the visa, in hand. Three working days later, I received the Passport back via courier from the Immigration, rejecting the visa, with a remark that the Rental Contract document was not enclosed. I was shattered; I asked the Lord why it had been rejected, as I had already glorified his name in Church, in absolute faith. I did not know what to do or whom to go to, but I was determined not to go to anyone who would arrange the visa, for a fee. Two days later, I went to the Abu Dhabi Immigration and straight to the Deputy Director of Naturalization & Expat Affairs. Even before I could explain my problem to him, he signed my papers with a broad smile. I was curious to know what he had written in Arabic; I walked into the adjoining room and asked a lady who was seated there, to read it for me. At the same time, an Emirati National walked into the room and took my papers; he took me into his room, called his office Boy and sent my papers to the Visa processing section; he even directed the person concerned, at the visa counter, over the phone. In the meantime, he offered me some refreshments and started conversing with me, also asking me about my job. After about 20 minutes, he sent me along with his office boy to collect my mother-in-law's passport and visa. I couldn't believe this was happening because this application was first of all rejected due to incomplete documentation. God intervened in this situation and let His favour rest upon me through a stranger, the Emirati national, who was actually one of the Advisors, at the Immigration; besides, my application was ordinary, which would deliver the visa after 3 working days and I hadn't paid any extra fee, for an emergency delivery of the visa. God is so faithful that He will never forsake his children. He opens a new door for his children, when every door is closed, when you have no way to go, when you have absolute faith and are fully dependent on Him. He is a prayer answering God and a miracle working God.

After my mother passed away in Sept., my sisters and I wanted to sell our property in Mangalore as quickly as we could. But, there were obstructions. The real estate agents that came to see the property said that the house was located in such a way that there was no way for a vehicle to have a free, direct entry from the road. It was on the wrong side and at an uneven ground level: that of the road and the open ground in front of the house; this would not help in the sale of the property. The real estate agents advised my father to demolish the house and make the necessary changes, in order to get a good rate for the property. My sister's & I became very anxious after hearing this from our dad; we couldn't understand how we would be able to provide the money needed for this work to be done. Every time we discussed a plan of action, it seemed difficult to execute it. I advised them against taking any loans or making any hasty decisions. I simply put it in prayer and asked my sisters also to do the same. I requested our APF group also to pray for us, that God will make a way to begin this task and take it to completion. Our God is a faithful God, a prayer answering God; He heard my prayer; all our prayers. The Lord made a way for the finance needed, to my dad. In the construction of the new house now, the walls have come up and the slab work is in progress. My sister and her husband, who live in Bombay, have a business and it is doing very well. All the needs of the family are being provided for. Most issues have been sorted out.

**All glory to God alone! God is good, all the time!**
