For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith.
Mark 11:23

Our Mighty Healer!

Bro. Benny Damien

On 5th May 2016, our daughter Ann had called us at 9:00 pm from Australia. As we picked up the phone, her very first words were "Please pray for me." She said she had woken up from sleep, with difficulty breathing; then she immediately called us, to pray for her. We prayed for her in the Name of our Lord Jesus Christ and declared healing upon her, by the stripes of Jesus Christ, our Lord, as written in Isaiah 53:5. Then she could go back to sleep. The next morning as soon as we woke up, we saw a message from our daughter that she was completely delivered and healed. She had gone to office in sound health. It was Friday morning and we

went glorifying our Lord to the Friday Miracle morning service, in Church.

In all the challenges and junctures we have a Name to remember and lean on; that is the name of our Lord Jesus. Ann was delivered and healed because of the Name of our Lord.

We give all the glory, honour and praise to our Lord and Savior Jesus Christ!

Praise the Lord! On 29th April, in the morning, I had called my mother, who is in India, but I could not speak to her. My niece informed me that my mom was taken to hospital; she wants me to reach India as soon as possible. She had severe chest pain that she could not tolerate and was upset as she had noticed that there was a swelling in her chest as well. I told my niece to ask my Mom to not worry about anything, as I was going to Church and would be praying for her. We had prayed for my mother in the Wow meeting also, just before the miracle morning service. After the service I called my mother again. Praise God! She said she felt

better, but was a little anxious as she was asked to do a biopsy test and had an appointment with the doctor, the next day. I encouraged and convinced her that she would be perfectly all right, as we all had prayed for her good health. The next day, when she went to the doctor, he told her that she was perfectly all right and does not need any test or medication. She was very happy and told me not to come to India, for this reason.

I give all glory and honour to our Lord and Saviour Jesus Christ!

God's Amazing Favour!

Sis. Beverly Fonesca

I was trying to get an employment visa for our maid. It was nearly time for her visit visa to expire. Santosh & I were trying hard, going from one place to another, to process the visa. One evening, we spent 6 hours driving between different immigration centres, but was told they could not do it that night. The next morning, I went to the Al Manara centre. When I was called to start the visa processing, the officer said I needed the Manager's signature, as I was sponsoring a maid and not my husband. I immediately understood that this needed God's special intervention. I requested Sis Shalet to pray. As I waited in the queue for the

Manager's signature, I saw him shouting at others. I continued to declare in my heart that he would have special favour towards me. As the Manager checked the files, I started singing praises to God. Soon, the Manager signed all the paperwork, without any questions and I was able to go back to the visa-processing officer, without much delay. The officer also showed me special favour, as if I was someone important and did not keep me waiting. This is nothing but God's favour. I also thank God for the financial provision, as processing a maid's visa is far more expensive than any other type of visa. I thank Sis Shalet and the APF members for their prayers. **We serve an awesome God, whose special favour toward us, makes every other person and institution we encounter, to be favourable to us!**

Santhosh's niece's husband, who is a Civil Engineer, had lost his job 4 months ago. He was looking for jobs. However, the offers he received were ready to pay only half of the salary, he was earning before. It was getting difficult, as they had a year old baby girl and his wife did not have a job. He continued trying for jobs with better remuneration and their funds were also running out. Santhosh advised them to come to church. Though it took some time, as they are Hindus, they finally made up their mind to attend the service in Sharjah. Pastor advised them to read Psalm 23 and Psalm 91 together. Even though they did not have a Bible, they downloaded it and read it together without fail. There was no sign of a job, as yet. They had to leave the apartment they were staying in, as it was too expensive for them. Santhosh's niece decided to go to India with the baby, in order to allow her husband find a job, without worrying about them. They continued reading the Psalms together. The Jebel Ali APF group continued to pray for them. Last week, Santhosh's niece and her husband called with awesome news that he had found a job in Jebel Ali; it had benefits for him and his family; also a company car and the salary of his expectations. They are so overjoyed. Santhosh told them it was nothing, but the Lord's doing and encouraged them to attend church. Santhosh and I thank and praise our Lord Jesus Christ for this wonderful miracle.

What a faithful God we serve! All glory to our Lord & Saviour Jesus Christ!

An Awesome Healer, my Jehovah Rapha!

Bro. Nathaniel

I'm a retired Government employee and am from Medak. In March 2016, I visited my daughter and son-in-law, who live in Malkajgiri. The primary purpose of my visit was for my medical check-up, as I was suffering with fistula for the past 2 years. I had taken preliminary treatment in Medak, but was of no avail, as the infection had spread and multiplied. We ran from pillar to post consulting 7 different doctors, who basing on the two different MRI scan reports, suggested I undergo 1 major and 2 minor operations. We visited Yashoda Multi speciality Hospital, Secunderabad; here also the doctor advised for 1 major and 2 minor operations. I had only a glimmer of hope, but the faithfulness of God did not leave me. I did not have sufficient faith, but it was God's faithfulness that saw me through the operation. It was scheduled on Monday, March 21. On my daughter's insistence, I attended the Miracle Morning Service at CCTC on Sunday, March 20. This was my very first visit to CCTC. Though not very proficient in English, I was able to grasp what Pastor Rekha was sharing, on that day. At the closing of the service, as she was praying, I felt something exiting my body. It was a strange feeling, but at that moment I wasn't too sure that I was healed. The next day, as scheduled, I went to the hospital; to the doctor's surprise and my amazement, the severe infection had reduced very much. Only a simple minor operation was performed; the doctor said that no major operation was needed. They also returned part of the operation fees that was paid. I thank God for speaking into my life through Pastor Rekha.

Truly, we serve a living God who heals! All glory and honour to our LORD Jesus, for His love and care for my life!
